

MY LIFE HAS BEEN RADICALLY CHANGED BY THE GOSPEL!!

Hello,

There was a time in my life when I was full of lust and addictions. My encounter with Jesus taught me that He offers joy, grace, and eternal life. I surrendered my life and began to follow him. Since then, my life has been full of miracles and purpose.

I am excited to be joining God on mission to reach the next generation of leaders for his kingdom. I desire to reach the: college, high, and middle school students, and encouraging community outreach. While equipping college students with the gospel through meetings, activities, and events, God will empower them to come along side me in reaching and discipling the younger high and middle school students. Mission trips and retreats will be a major part of this process.

Part of their discipleship will include serving at Building Hope, our community outreach. This will lay foundations that Jesus commanded in loving and caring for the poor, sick, broken, widows, orphans, and our neighbor. Our hope is to call this next generation in taking the Gospel to all nations.

Testimony

My friend, Matthew Murray.

Matthew Murray is a dear friend that struggled with similar addictions and immoral living. He struggled in his identity, but more importantly that Jesus loved him despite his past mistakes. After praying together, having meaningful conversations, and digging into the gospel, Matthew surrendered his life to Jesus! Jesus broke his addictions and he now consistently serves in our church where he recently met his wife, and is a walking testimony to so many people around him. We currently are leading a mens group together! We are praying God changes another life like he did ours.
