

KŘESŤANSKÉ SPOLEČENSTVÍ  
TRINITY PRAHA

## Phase Two – July 2024 Update

July marks six months living in Prague, and we are grateful for what God has done to establish our home and ministry through friends and ministry partners. We have made significant progress in settling into our routine and beginning outreach. In our neighborhood and church community, we are reaching out to Mirka, Daniel, Peter, Vojtěch, Šárka, Berenika, and others. All are Czechs who speak English, but we continue to study Czech.

We are meeting with campus organizations and have been scouting for outreach opportunities on the Polytechnic University campus, which is a ten-minute walk from our home, and we are looking into possibilities for an official status there. Please continue to pray that the Holy Spirit speaks to the hearts of these dear people and that we can make strategic connections on the campus.

I turn sixty-two in September, but my heart still burns for the next generation. As I have weekly prayer walks on campus, I also do some of my studying there to have more opportunities to meet new people.

Praying to reach students like these

This is the start of phase two of the church plant. We filed our church incorporation documents with the court a few days ago, which will allow us to bring in new team members sustainably for the campus. Our sponsor here, Pastor Jakub Limr, has graciously offered to translate our One-2-One discipleship book, and we should have that by the time the fall

campus schedule begins. We just started the application process for temporary residency, which is a significant upgrade from our long-term visas. Please pray for favor with Czech immigration and a smooth process.

### Partnership Needs

- Special gifts for our upcoming trip to the US for seminary
- Increase in monthly partners for our expanding ministry roles
- Funding for Mike's seminary studies

We will be in the US from this week until the middle of August where we will spend time with our family, I will study at my seminary intensive at Asbury, and Myra will continue her PhD studies. We will also work on increasing our financial partnership, so we ask you to prayerfully consider joining our team or referring us to those who have a heart for missions. Your financial support is crucial for us to continue our work.

We will host a young Ukrainian family that is very dear to us for a few months in Prague so they can have a break from the stress of the war in Ukraine. Please consider sponsoring the travel needs for this family, and feel free to reach out to us for more details.

Thank you for standing with us as we continue to bring the hope of the gospel to Prague and our region. Blessings!
